COVID19 Information

Please note: Due to the uncertain future development of the COVID19 pandemic (Corona), an implementation of ISCH 2022 cannot be guaranteed. If the worldwide infection situation still cannot be controlled completely, ISCH 2022 could be cancelled due to official orders and in consideration of the safety for athletes, officials and guests.

We have set 18 February 2022 as the deadline for a decision on whether the ISCH will take place or not.

Please take this fact into account when booking transportation and hotels independently. We recommend that you wait with your booking and/or provide a cancellation option.

We would like to point out to our international guests that you must observe certain restrictions when entering Germany. Detailed and constantly updated information (testing obligations and quarantine requirements, if applicable) can be found on the following website:

<https://www.auswaertiges-amt.de/en/coronavirus/2317268>

Particular attention will be paid to vaccines approved in the EU (Biontech Pfizer, Moderna, Johnson, AstraZeneca). A complete overview of approved vaccines can be found on the following website:

Departure of Delegations

All Olympic qualifications for women and men will be held in combination with the Deaflympic athletes. We have special light signals that provide all necessary options and do not disturb others.

As far as it is possible, we try to offer training every day at every range. You will find the options on our timetable, which you will find on our website.

Finals will be held for every Olympic / Paralympic competition when at least 10 athletes start. The award ceremonies will take place during the day according to a special schedule, which we will announce on the official board.

When booking, each team and each individual starter agrees that we can publish official photos and videos on our website as well as on Facebook and other media.

Due to the COVID19 pandemic (Corona) and the resulting increased security and hygiene requirements, we are unfortunately forced to charge an additional fee per start to cover the costs for additional personnel, disinfection and security equipment.

Please note: The booking is binding. This year only a final registration is possible.
